Indiana Governor's Residence Docents Staffed by Presidents' Roundtable

The Governor's Residence tour docents will be members of the Presidents' Roundtable, an award-winning coalition representing over 5,000 women volunteers and twenty civic institutions in the Indianapolis community. Each organization will contribute volunteers to fill more than one hundred docent positions for the tour.

Founded in January 2000 by the Junior League of Indianapolis, The Presidents' Roundtable's mission is to bring together leaders from diverse women's civic, social and service organizations throughout Indianapolis to share information, exchange ideas, enhance leadership skills and participate cohesively in collaborative projects. The Presidents' Roundtable won the 2006 National Award for Collaboration, awarded by the Association of Junior League International, which recognizes organizations that have figured out how to fuse its assets with other organizations to achieve common goals and affect real community change.
